

Declaration of M.S.J.

Having successfully completed this major step in our lives we feel we must make it necessary to relinquish our bonds with M.S.J. In stating this declaration, we do not mean that this is to be the end of all we have done here. Experiences that we have shared will never be forgotten. The energies which compose this yearbook will be a reminder to us of what we stood for in 1976.

Dedication

To show our gratitude to you for
helping make this the best four years
of our lives, we, the class of 1976,
dedicate our yearbook to you,
Father Beane

The senior class of MSJ wished to express its deep admiration for Monsignor Connor. His kindness, Christian charity and concern, especially toward MSJ, will long be remembered.

To the Class of 1976,

For the past four years you have been a member of the MSJ Community. Now the long awaited day of graduation is here. We rejoice with you and extend to you our prayerful best wishes for your future endeavors.

Please remember always the ideals which you have been given at the Mount. There is a power that each and every one of you possesses. That power is the power of love and service. It is only through the use of this power of God and other people can real happiness and self fulfillment be found. Always. Give generously of yourself.

Remember you will always be a part of M.S.J. Our hopes and prayers go with you as you begin this new and exciting chapter in your lives.

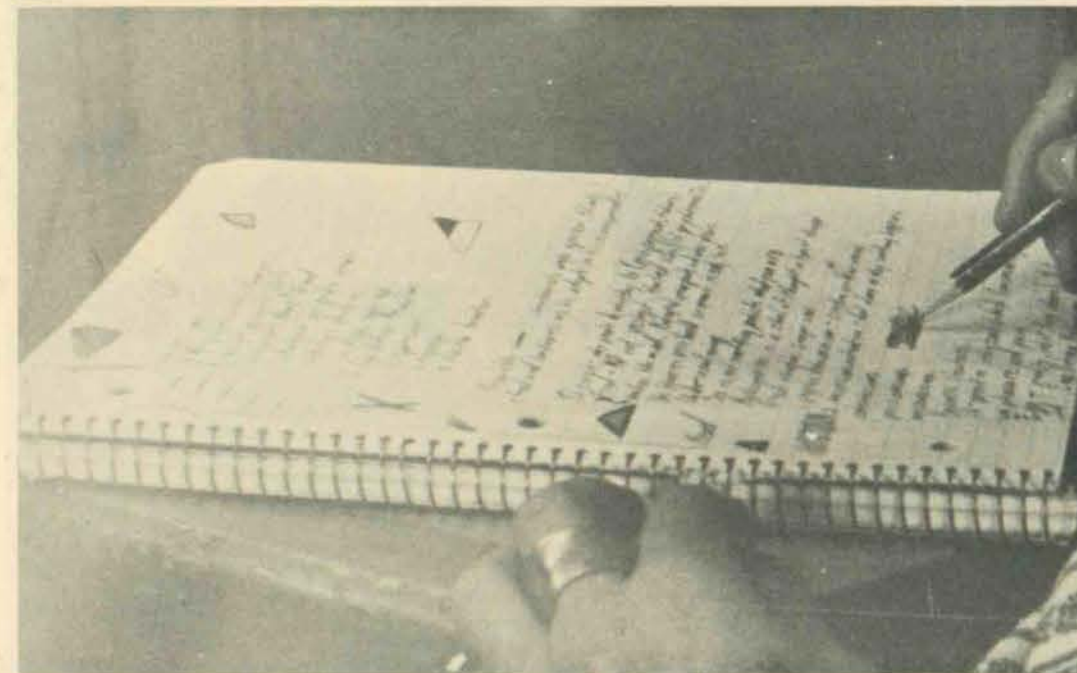

I would like to close with this quote:
 "The worst sin toward our fellow-creatures is not to hate them, but to be indifferent to them; that's the essence of inhumanity."
 George Bernard Shaw.

Do you know where you're going to?
 Do you like the things that life is showing you?
 Where are you going to?
 Do you know?
 Do you get what you're hoping for?
 When you look behind you there's no open doors.
 What are you hoping for?
 Do you know?

Life - so they say
 Is but a game and they let it slip away
 Love - like the Autumn sun
 Should be dying, but it's only just begun
 Like the twilight in the road up ahead
 They just don't see where we're going
 And all the secrets in the universe
 Whisper in our ears and all the years will come and go
 And take us up, always up

We may never pass this way again

We live so fast, our lives go past
 Before we ever know it
 When love is strong, it can't be wrong
 To find a way to show it
 We try to build a dream
 Where things are beautiful, the way they seem
 And all of life is like a perfect scene

We are children
 Looking at the world through diamond eyes
 Just like children
 Looking at the world through diamond eyes

The searching kind is sure to find a world of magic
 rainbows
 Beneath the sun, is so much fun
 Who wonders where the rain goes
 Or why we have to cry
 We see through everything as life goes by
 And when it finally comes, our time to try

From there, it was all the

Late in the quarter, the

against the Hurricane offense that the Hurricanes didn't get into

The Mounties, however, did have some downfalls. At times the
offense did seem to weaken and allow Hartford linebackers to
break through the line to catch quarterback Al Flory and other
Mountie runners for minus yardage.
And the Mounties made other mistakes which cost them long

One penalty, a 15 yard clip call, cost the Mounties a fourth

Or has time rewritten every line
If we had the chance to do it all again
Would we, could we?"

We simply choose to forget
So it's the laughter we will remember

George M!

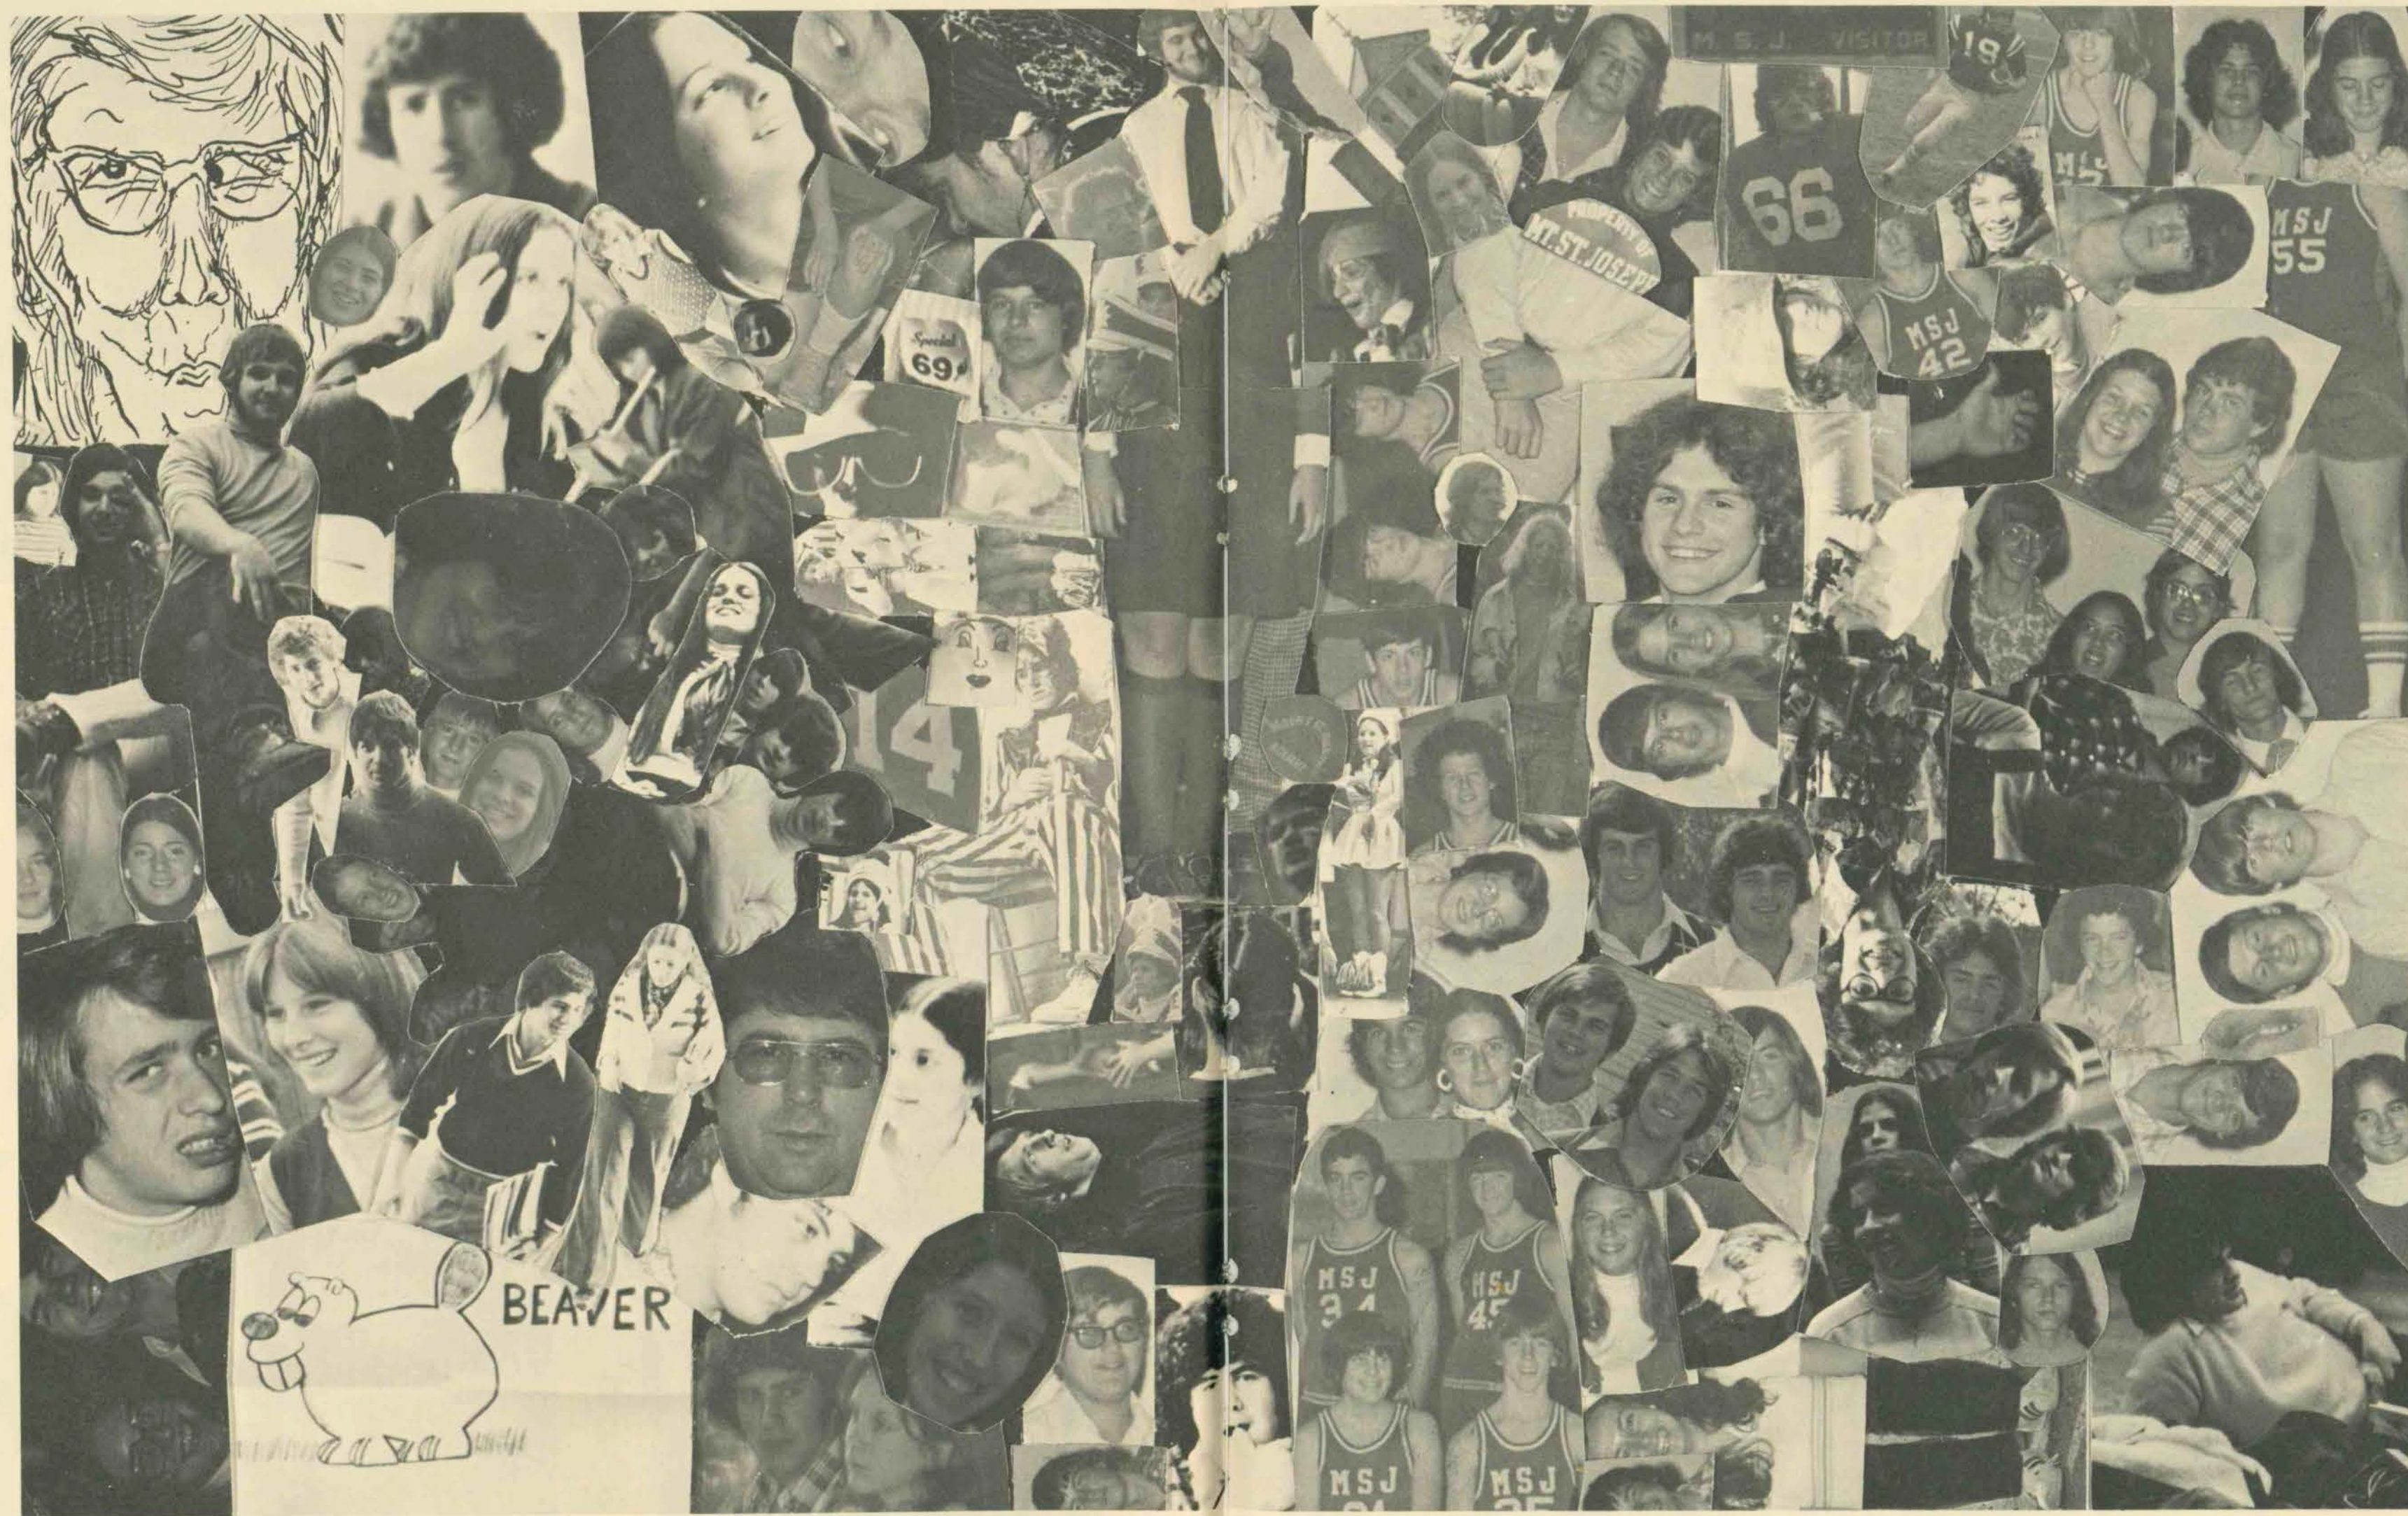

No one exemplifies the spirit of America better than George M. Cohan. For this reason we chose the story of his life George M! as our annual musical production. In an effort to present the best performance possible to the Rutland Community, the directors decided that additional time was necessary for its preparation. It is for this reason that the play was presented in spring rather than in winter.

The Road Not Taken

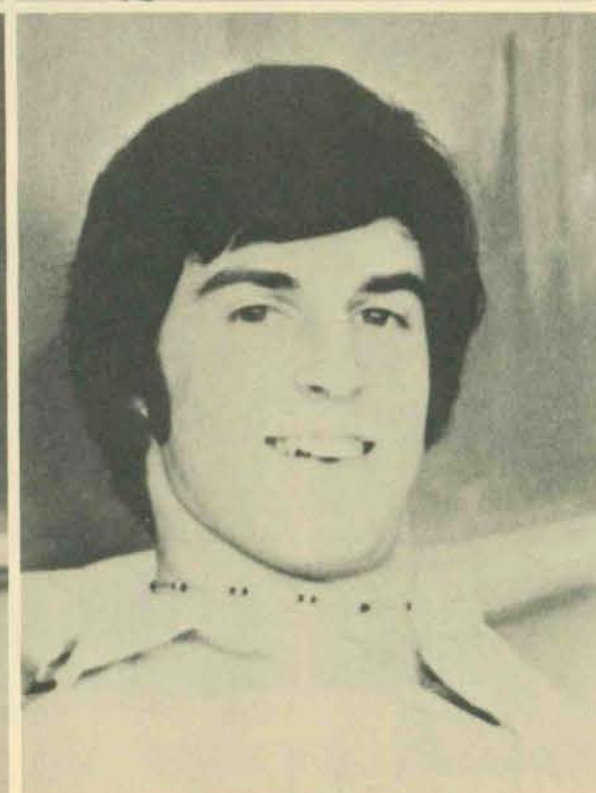

.... I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood and I—
I took the one less traveled by,
And that has made all the difference.
